About ShieldX Foods

Connecting Global Food Quality to North America & the Caribbean

ShieldX Foods, a division of ShieldX International LLC (USA) is a brand management and export coordination company focused on premium packaged foods.

We specialize in developing, sourcing, and coordinating high-quality food products for distributors across North America and the Caribbean — managing every step from manufacturing and packaging to branding and supply logistics.

Our Mission

To connect global food producers with distributors across North America and the Caribbean through trusted brand partnerships, quality assurance, and strong market development support.

Our Flagship Brand: Rivorn Basmati Rice

Rivorn represents ShieldX Foods' commitment to excellence — offering pure, premium basmati rice from world-class manufacturing partners, distributed with professional branding and local support.

Our Core Capabilities

- Brand & Private Label Development
- International Sourcing & Export Coordination
- Packaging & Quality Management
- Distributor & Retail Marketing Support

Pure Basmati, Better Taste

About RIVORN

RIVORN brings the world's finest basmati rice from trusted global sources to North American And Caribbean Markets.

Our mission is simple — deliver pure, premium, aromatic rice that gives customers a taste of global quality while supporting local distribution in North America and the Caribbean.

As a U.S.-based supplier under ShieldX Foods, RIVORN ensures reliable supply, consistent quality, and a clean, professional presentation in every bag.

Why Distributors Partner with ShieldX Foods (RIVORN)

✓ Premium Quality Rice

Every RIVORN grain meets strict international standards for purity, aroma, and taste.

✓ U.S.-Based Distribution

Managed by ShieldX Foods under ShieldX International LLC for smooth, reliable supply to North American & Caribbean distributors.

✓ Branding & Marketing

Distributors receive ready-to-use POS, digital, and retail materials to promote RIVORN instantly.

✓ Reliable Private Label Partnerships

Manufactured by trusted export partners in india, maintaining global quality and certification standards

Our Premium Basmati Line

RIVORN Premium Extra Long Grain Basmati Rice
Aged to perfection for superior texture and aroma.
Pure quality, grown and sourced sustainably.

RIVORN White Basmati Rice
Long-grain, aromatic, and naturally aged for unmatched flavor.
Ideal for daily use and restaurant-quality dishes.

RIVORN Quick Cook Brown Basmati Rice
Nutty, wholesome, and ready in minutes.
Perfect for modern, health-conscious consumers.

White Basmati Rice

Pure, aromatic, naturally aged.

RIVORN White Basmati Rice is the classic choice for families and restaurants alike. Each grain is aged for optimal aroma and length, delivering authentic taste with every meal.

- Extra-long slender grains
- Fluffy texture, never sticky
- Distinctive natural aroma
- Perfect for everyday meals & special dishes

Quick Cook Brown Basmati Rice

Wholesome flavor. Faster cooking.

A healthy twist on basmati, ready in less time. RIVORN Quick Cook Brown Basmati delivers the rich nutty flavor and whole-grain goodness, but cooks in just minutes — perfect for today’s busy households.

- Whole-grain basmati, high in fiber
- Quick cooking time, convenience without compromise
- Nutrient-rich, heart-healthy choice
- Ideal for family meals and healthier lifestyles

Premium Extra Long Grain Basmati Rice

Premium Quality. Pure elegance.

RIVORN Premium Extra Long Grain Basmati is sourced from the finest growing regions in the Himalayan foothills, prized for its slender, graceful grains and signature delicate aroma. The premium choice for special occasions and refined palates.

- Premium grade, export-quality basmati
- Extra-long, slender grains
- Fluffy, non-sticky texture after cooking
- Sustainably sourced and responsibly packaged.

POS & Retail Materials

To support our distributors and retail partners, Rivorn provides a complete range of professionally designed Point-of-Sale (POS) and Retail Marketing Materials.

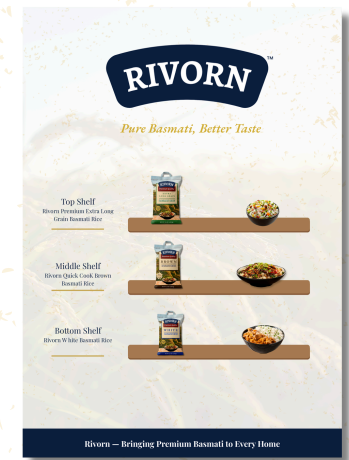

These tools are crafted to highlight our premium rice varieties, attract customer attention, and increase visibility at the shelf level.
